25/316	<p><b>Village Hall Path Working Group:</b></p> <p>a. To receive a progress update and decide further actions and costs, if applicable.</p> <p>The meeting received a short report which included:</p> <ul style="list-style-type: none"> <li>• The Chairman and Clerk were present on site for the start of the first day of the new school term. Feedback from people using the new entrance was very positive.</li> <li>• The path was formally opened on 19th September 2025. Representatives of the Village Hall Trustees, staff and children from the Primary School and Pre-School joined Councillors to cut a ribbon to celebrate the opening of the entrance/path. Members of the children's School Council gave short speeches and thanked the Council for providing a new safer walking route to school.</li> <li>• The Sidmouth Herald website/newspaper covered the opening event.</li> <li>• Fencing was installed at the pedestrian/vehicle gate and chicane barrier as decided by Council Min 25/287</li> <li>• A problem with the sensors on the lighting bollards has been reported to the electrician for action.</li> </ul> <p>The meeting resolved to approve the following payments:</p> <table style="margin-left: 40px;"> <tr> <td>1. To receive the findings of a Stage 3 Road Safety Audit and to decide actions and costs as considered appropriate.</p> <p>The Stage 3 Road Safety was carried out by the Road Safety Forum on 25th September 2025. Two auditors, a DCC Highways Road Safety Officer, WHPC Chairman and Clerk met on site as the audit was conducted.</p> <p>The meeting considered the Stage 3 Audit report received on 29<sup>th</sup> September 2025. The report raised two matters:</p> <p>1. School Warning Wig Wag light on West Hill Road:</p> <p style="margin-left: 40px;">Findings: the adjacent hedge may overgrow and restrict the effectiveness of the device.</p> <p style="margin-left: 40px;">The meeting considered various options. As the location was agreed in consultation with the Highways Officer re-locating the sign was not considered to be an effective use of public money</p> <p style="margin-left: 40px;">The meeting agreed a proposed response to be agreed with DCC Highways: The Parish Council will undertake to contract the Lengthsman to trim the hedge regularly for the duration of the s278 agreement to avoid restricting visibility of the sign.</p> <p>2. The Existing Footpath leading to the Village Hall</p> <p style="margin-left: 40px;">Findings: The auditors were concerned that the narrow nature of the existing path alongside the Village Hall could result in pedestrians stepping off the path onto the car park.</p> <p style="margin-left: 40px;">The meeting noted that this matter has been raised in the Stage 2 report. The Village Hall Trustees had been made aware of the findings as the relevant organisation.</p>	1. Devon TarMasters Works on Village Hall Site	£15,733.96+vat	2. Devon TarMasters Works on West Hill Road	awaited	3. Fencing Min 25/287	£670.00+vat

2. Devon TarMasters Works on West Hill Road	awaited						
3. Fencing Min 25/287	£670.00+vat						

	<p>The meeting agreed a proposed response to be agreed with DCC Highways: The path and car park area is private land and the Council has no control over the footpath in that area.</p> <p>The meeting considered correspondence which raised a safety concern and asked for the guardrail alongside West Hill Road to be extended westwards for safety purposes. Councillors acknowledged the concern and considered options to address the matter. Comments included:</p> <ul style="list-style-type: none"> <li>the guardrail had been installed as per the approved plans which had been agreed with DCC Highways via a s278 agreement.</li> <li>the Road Safety Auditors had not raised any concerns regarding the guardrail</li> <li>the width of the pavement narrows further eastwards.</li> </ul> <p>The meeting considered re-aligning the chicane barriers such that pedestrians leaving the Village Hall site would emerge facing eastwards. However, Councillors raised concerns about the cost and future maintenance and repair costs.</p> <p>Standing Orders were suspended.</p> <p>A member of the public noted that the roadside path was narrow and was concerned that people with buggies would struggle to pass.</p> <p>Standing Orders were resumed.</p> <p><b>The meeting resolved</b> that there was no justification to extend the guardrail.</p> <p><b>Action:</b> Cllr FP to reply to the Village Hall Trustees.</p> <p>c. To approve payments and note payments made under delegated powers, if applicable. <b>None</b></p> <p>Ward Member JB left the meeting 8.03pm</p> <p>d. As previously reported (Min 25/288) the Auditor had received challenge correspondence from an elector and had identified two objections regarding the Council 's Annual Return for 2024-2025. Each was considered as eligible as they related to matters of Governance however the two objections were not accepted:</p> <p>Objection 1: expenditure during the year on the reimbursement of expenses to the Clerk.</p> <ul style="list-style-type: none"> <li>The auditor found no evidence that any of the payments were for unlawful items.</li> </ul> <p>Objection 2: the failure to follow Financial Regulations (use of personal credit card).</p> <ul style="list-style-type: none"> <li>The auditor noted WHPC had recognised and addressed the issue since it had amended its Financial Regulations to reflect modern banking practices in February 2025. The Auditor also noted that some of the payments made could not be paid other than by credit card.</li> </ul> <p>The Auditor's report acknowledged that the parish council had already taken the appropriate action and the Parish Council was not required to undertake any further actions.</p> <p>The Chairman noted that the Parish Council Financial Regulations allowed for the use of personal credit cards but asked for the Finance Working Group to explore options for a Council charge card to eliminate risk to the Parish Clerk.</p>
