20/336	<p>Apologies. To receive apologies and approve reasons for absence.</p> <ul style="list-style-type: none"> • Apologies were received from DCC Cllr Claire Wright
20/337	<p>Public question time (3 minutes) From 7.30pm residents are invited to give their views and question the Parish Council on issues on this agenda, or raise issues for further consideration at the discretion of the Chairman, before the start of the Parish Council meeting. Members of the public may not take part in the Parish Council meeting itself. This item included issues submitted to the Clerk prior to the meeting.</p> <p>A West Hill resident asked to speak about the planning application for Little Glade, West Hill Road (Agenda item 20/340). He had commissioned a Planning Consultant to review the proposed development and the report had been circulated to Cllrs shortly before the meeting.</p> <p>He strongly believed the proposed development did not comply with the Neighbourhood Plan and local Planning Policies, was out of character for the area and would lead to the loss of a significant section of Devon Bank. The proposed property was sited very close to the boundary and would lead to loss of amenity for the neighbouring property. There would also be a likely future threat to the many trees on the site.</p> <p>Cllrs thanked the resident for speaking at the meeting and asked questions regarding access to the site and ownership of the shared driveway.</p>
20/338	<p>Declarations of Interest</p> <ol style="list-style-type: none"> a. Register of Interests: Councillors are reminded of the need to update their register of interests. b. To declare any personal interests in items on the agenda and their nature. To declare any disclosable pecuniary interests in items on the agenda and their nature (Councillors with DPIs must leave the room for the relevant items). <p>Cllr JB declared</p> <ul style="list-style-type: none"> - a personal interest as an East Devon District Cllr. - A personal interest in 20/340 (Little Glade) as she was an acquaintance of a neighbour, but would take part in discussion

	<p>- A personal interest in 20/340 (4 Heather Grange) as she was a close acquaintance of the applicants and would not take part in discussion Cllr AT declared A personal interest in 20/340 (4 Heather Grange) as she was a close acquaintance of the applicants and would not take part in discussion</p> <p>All noted</p>
<p>20/339</p>	<p>Confidential/exempt items. In consideration of the Public Bodies (Admission to Meetings) Act 1960 (publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted): to agree any items to be dealt with after the public and press have been excluded.</p> <p>N/A</p>
<p>20/340</p>	<p>Planning applications received</p> <p>20/2113/FUL 3 Warren Park West Hill EX11 1TN Applicant Mr&Mrs Lawrence Construction of porch to front door.</p> <p>Councillors supported the application.</p> <p>20/2115/FUL 9 High Bank West Hill Ottery St Mary EX11 1XX Applicant Mr&Mrs Bingham Single storey side extension to form new double garage and annex.</p> <p>Councillors supported the application but asked for a condition that the extension should remain part of the existing dwelling and cannot be separated out from the existing dwelling.</p> <p>20/1857/OUT Little Glade West Hill Road West Hill Ottery St Mary EX11 1TU Applicant Mr P Bishop Detached dwelling and garage (outline application with all matters reserved)</p> <p>Councillors objected to the application and recommend refusal. Although the site is within the BUAB for West Hill, and development is acceptable in principle, the development does not comply with Policies NP2, NP3 and NP26 of the Ottery St Mary and West Hill Neighbourhood Plan, as described below.</p> <p>While appreciating that all matters are reserved, an indicative plan has been submitted. This shows the new dwelling to be very close to the host dwelling, Little Glade, and also the neighbouring dwelling, The Octave. Properties in this area typically have large plots, with the dwelling central on the plot, and well screened from neighbours. The new dwelling would be crammed and is not of a density appropriate to the immediate surrounding area. It would not reflect the character of the surrounding area.</p> <p>It seems likely that the amenity of The Octave would be adversely affected, with the potential for overlooking, particularly if the new dwelling is two-storey. Access to the new dwelling would necessitate the removal of a significant length of mature Devon bank which would alter the street-scene of this area and would change the prevailing boundary treatments in the area.</p> <p>The site is significantly wooded, and it is likely that the occupants of the new dwelling would request tree felling and tree works to reduce shading. The private road which serves Little Glade and other properties opens onto West Hill Road at a dangerous point with limited visibility. An additional dwelling would exacerbate the dangers of this section of road.</p> <p>20/2140/TRE 4 Heather Grange West Hill EX11 1XZ Applicant Mr Major T1 Scots Pine: Reduce south western through to northern side by 1.5m - 2m to reduce largest branches and to achieve 2m clearance to buildings Reason: To achieve clearance to building and to manage the lateral spread of the tree</p>
